

Big Ideas for the Heart of Seattle

How to Be an Imagine Greater Downtown Ambassador

We are gathering information and opinions from people in our 10 downtown neighborhoods about how they want to get around and use public spaces 20 years from now. Please help us broaden our outreach and expand the number of voices shaping our city.

Let's imagine the future together!

Here's what you can do

Inform and Encourage

- Visit the website (www.imaginegreaterdowntown.org) and send it to your listservs, post it on your neighborhood blogs and share it with your friends via social media
- Talk about Imagine Greater Downtown at your next community gathering and show the online video about imagining the future of our greater downtown neighborhoods

In-Person Engagement

- Join City of Seattle staff at summer pop-up or community outreach events
- Distribute Imagine Greater Downtown materials at your worksite or summer events
- Host an event with an Imagining exercise
- Post your inspiring photos, drawings, and poems to the Imagination gallery

Here's what we'll be doing

- Inclusive engagement strategies in collaboration with Seattle Department of Neighborhoods and the Office of Planning and Community Development
- Targeted outreach to seniors, immigrants, youth, people living with disabilities, people of color, visitors, and others
- In-language community conversations with translation assistance by our Community Liaisons
